

TASTE MOSCATELL WINE

with your 5 senses

What will you experience?

Through sight and touch...

You will learn to prune or care the Moscatell vines alongside local farmers in vineyards with fantastic views to the Mediterranean Sea.

Taste and smell...

You will taste in the vineyard products derived from Moscatell grapes and you will enjoy a wine and mistela tasting in the Municipal Market.

What you will hear...

The sounds of nature surrounding the vineyards which provide the ideal setting for manufacturing delicious wines, "mistelas" & Moscatell raisins.

You will enjoy a special day whilst delighting your senses with special aromas and flavours, as part of a truly authentic experience in the heart of the Marina Alta region.
